## Agreement to Use of Data

The personal data requested in this form, especially name, address, phone number, bank dates, which are necessary and required singularly for the purpose of members administration and care, are collected on the basis of legal authorization.

You have the right at all times to request comprehensive disclosure on your personal data collected, to request correction, deletion and suspension of individual personal data, as well as use your right of objection at any time and without giving reasons, and to change or revoke your agreement for the future. Complaints can be directed to the regulating authority (Österreichische Datenschutzbehörde, Wickenburggasse 8, 1080 Wien, dsb@dsb.gv.at).

I agree to the collection and storage of my personal data for the purpose of members administration and care. I have been informed about my right to have my data deleted, suspended, and corrected, to request disclosure and to object.

Agreement of NRO / of the authorized representative that any photos, movie shots, videos and interviews provided by the NRO or made in the context of an IRO event may be used for promotional and documentation purposes without any remuneration or copy right, for usage online and in radio, television, advertising, books, photomechanical copies and DVDs.

I hereby certify that all responses in this form are true and correct.
