| <b>IRO Recommendation</b>  |   |   |   |
| The HAIX MISSOULA 2.0 provides perfect comfort and safety, especially for <b>Rubble Search</b> .   | The HAIX COMMANDER GTX is a versatile boot and is particularly suitable for <b>Area Search in hilly and alpine terrain</b> .  | The HAIX COMBAT GTX is a perfect companion for <b>Area Search in urban and rural areas</b> .  | The HAIX RESCUE ONE of safety class S3 is perfectly suited for <b>Rubble Search</b> and is also available in a ladies' edition.   |
| <b>TIP:</b> For optimal function of the GORE-TEX® membrane, we recommend wearing sports socks (e.g. HAIX multifunctional socks). They keep your feet dry and comfortably cool even when strained highly.   |   |   |   |
