

### **Qualification mode IRO World Championship 2022**

In order to be eligible to participate in the WCH 2022, each team (DH with dog) has to have one result with the minimum rating of „good“ in the respective discipline in level B within the qualification period.

The qualification period runs from the last day of the IRO World Championship 2019, 22 September 2019 to 30 June 2022.

Results are valid within the qualification mode either from an International IRO Testing Event or a national FCI Testing Event, provided that these were judged by an International IRO judge or International judge.
